Director's News

Spring is a time of growth and Small Wonders is no exception. Our Infant room is bursting at the seams - adding Ian, Ella, and "baby to be named later."

We're re-opening Miss. Pina's room as a young toddler and Heather's room is transferring into a Young 3's. Welcome Brett, Miles, Meshye and Kelly!

Also, we're starting summer camp registration for 6-9 year olds.

Growth is also the theme for the spring fundraiser with beautiful flower bulbs to grace your garden and home. Please help us by asking your friends and coworkers to support this effort. We are using fundraiser monies to bring in outside resources and expand our curriculum.

A Note from the Nurse

Hi, I'm Tracy Bloom, the new nurse consultant for Small Wonders. I'm responsible for making sure the program complies with state regulations regarding health care, physical examinations and immunizations.

PLEASE submit to the office a copy of your child's

most recent physical exam and updated immunization record.

PLEASE schedule a physical for your child as soon as possible if she/he is overdue.

Thank you.

Tracy Bloom, RN

Reminders

- ❖ Please leave lots of underwear, if your child is being toilet trained.
- ❖ Please check your child's cabinet to ensure that there are diapers and wipes.
- ❖ As the weather gets warmer, we'll be going outside to play. Please dress your child appropriately.
- ❖ Please return the permission slip indicating your approval to use your child's photograph in the newsletter.

Pre-K News

The Pre-K class is having lots of fun learning about electricity. We are experimenting with an electric board and learning how electricity causes things to move or fly.

Also, the class recently made a special Get Well wish delivery to Senator

Trunzo. The children decorated and signed a card wishing Senator Trunzo a speedy recovery from his recent fall. The children then personally delivered their good wishes to his office.

Three's Tales

The 3 Year Olds have been very busy getting ready for spring. We've read several books about spring.

We made a spring mural in our classroom. The children painted green grass, decorated flowers, glued feathers on their birds, added spots to their ladybugs and scrunched tissue paper to make bumble bees.

We even went outside to look and listen for signs of spring. That was a lot of fun! We heard the birds singing and saw baby bugs, too! We will begin planting soon and learn how flower grow.

Happy Spring.

Toddler Times

The Toddlers discover their environment as they learn through play. We have many opportunities to explore a variety of sensory, art and science activities. A few of our favorite activities include water, sand, paint, and working with different textured items.

Throughout the year, we have "special days" such as pajama day, ice cream party, and favorite stuffed animal day.

Most recently, we celebrated Crazy Hat day.

The Toddlers look forward to keeping you updated on our classroom happenings.

*"When my kids become wild
and unruly, I use a nice safe
playpen. When they're
finished, I climb out.
Erma Bombeck"*

Infant I News

The babies continue to grow and develop. Favorite activities are the exersaucer, the activity gyms and looking in the mirror. They also are interacting with each other and enjoy sitting and smiling at each other. Some of us are even on the move!

Also, the Infant Room area rugs were recently changed. A big THANK YOU to Carpet One of the Hamptons who

generously donated the much needed brand new custom area rugs in the infant room. They look great!! Carpet One of the Hamptons stores are located in Riverhead and Southampton but serve customers from Montauk to Manhattan. Please support our 'sponsor' for all of your flooring needs!!! Call to speak to any of the knowledgeable and wonderful staff at 631-287-1070.

New Students

A warm welcome to new friends:

Brett	Kelly
Ella	Meshye
Ian	Miles

Dates to Remember

April 10 - Flower fundraiser due
April 22 - Earth Day

Fundraisers

Flower bulb fundraiser under way this month. Your participation is always appreciated.

Newsletter

If you would like to contribute to the newsletter or have an announcement you would like printed, please contact Jennifer Bailey.

Happy Birthday...

Angela F.	Steven F.
Brandon M.	Miss. Endora
Dakota C.	Miss. Diana
Gianna G.	Miss. Caroline
Jessica H.	

Congratulations

Congratulations to Miss. Pina on her engagement. An October 2007 wedding is planned. Small Wonders wishes you a lifetime of love, laughter, and happily ever after.

Free Hamsters

Our 'male' hamster recently had eight babies. All eight are in need of new homes so if you are interested in taking one, please see Paul.
